Education Committee Activities

These functions are shared by the team

- Act as the conduit between SMPNEW and educational institutions and organizations such as the UW Oshkosh Collegiate Chapter of SMPNEW.
- Work to establish linkage to additional institutions and promote the development of a relationship with SMPNEW.
- Promote and position our Recent College Graduate Membership plan to students entering the general working world.
- Provide business leadership guidance to educational institutions and organizations.
- Represent SMPNEW at periodic meetings and other special educational engagements with institutions and organizations.
- Support the VP if they are unable to attend monthly board meetings (usually one hour) and submit an Educational Committee report. Report includes documentation of current activity and initiatives underway.
- Express your passion for sales, marketing and be prepared to share your experience and energy with the SMPNEW team!
